FCO. JAVIER BARRERA BARCELÓ
(San Sebastián, 1975)

La seva obra es troba a cavall de l'art i el text, i se centra en la relació entre forma i contingut, així com entre allò representat i la narració oculta.

Com a poeta ha publicat *El Mínimo Común Verso* (AN Ediciones) i *Las canciones de Jeff Goblin* (La Baragaña).
